

FOR IMMEDIATE RELEASE

APE's Partners to Unveil New Gaming Solution at G2E Asia 2019

Macau , May 8, 2019 – Asia Pioneer Entertainment Holdings Limited (“APE” or the “Company”, with its subsidiaries collectively referred as the “Group”; Stock Code: 8400.HK) ‘s partners, namely **Jumbo Technology Ltd** (Jumbo), **Konami Australia Pty Ltd** (Konami) , **Spintec d.o.o.** (Spintec) and **TransAct Technologies Incorporated** (TransAct) are going to showcase an array of new products and gaming innovations this year at Global Gaming Expo Asia(“G2E Asia”), the largest gaming show in Macau to be held from 21 to 23May, 2019 in The Venetian, Macau.

Brand-New Bao Ni Fa Jackpot Link

Jumbo the local Taiwanese gaming supplier, which its product is officially nominated as **Best Electronic Gaming Solution (Slots and ETGs)** of 2019 G2E Asia Awards, has always been on the cutting edge of innovation. It will launch a brand-new Bao Ni Fa Jackpot Link this year in their latest D-27 cabinet. This uniquely designed cabinet features dual 27-inch HD displays and enhanced comfort that provides the ultimate gaming experience for players.

Jumbo – Bao Ni Fa Jackpot Link

The Bao Ni Fa Link is a progressive linked jackpot that follows the success of Jumbo's popular Yi Lu Fa Link in Asia. Bao Ni Fa offers two different Asian themed base games, "Power Dragon™" and "Power Mask™", in which the new bonuses and "Power Up" feature provide an entertaining and rewarding experience for players. Jumbo will be at stand A1329 to showcase their latest products.

Karma Virtual Blackjack debuts in Asia

Spintec the official nominee of **Best Industry Supplier** of 2019 G2E Asia Awards, will highlight its Karma Virtual Blackjack, a new game that will be presented in Asia for the first time, the game experience is as close to live as possible. Furthermore, it comes with up to five additional side bets, namely Hot 33, Royal Alliance, Dealer Crush, Suited Twins and Poker Hunt that make the game even more interesting and fun to play. It is believed that the game with a virtual dealer on the big screen will have players rush to play which all means longer gaming sessions and higher revenues for the operators.

Spintec – New Karma Virtual Blackjack

Along with Virtual blackjack, Spintec will showcase a large portfolio of casino gaming solutions, various setups of Aura and Karma product lines with a multigame option for a player to choose between different games – Roulette, Sic Bo and Baccarat, which are, due to their proven record of longer gaming sessions, its best-selling products on the Asian market. Spintec is at the same time holding a majority share in new automated roulette installations in Macau. Spintec will have a stand at A1041 to showcase its new unique gaming solutions that meet the operators' requests.

Spintec – Automated Roulette

Enhancing the Jackpot Excitements

The slots sector is always key for Konami in Asia. This year, the gaming machine specialist Konami Australia Pty Ltd will highlight its Link Progressive and SAP jackpot series at stand A429. One of the highlights will be “Ba Fang Jin Bao” 4 levels Link Progressive. It is available in Concerto Stack cabinet with 4K Graphics. Two games will soon be available in Macau market in 2019, namely “Fortune Totems” and “Abundant Fortune”. The 3 levels Link Progressive or SAP games “Golden Blocks Sun Da Seng” and “Golden Blocks Princess Majesty” and 4 levels SAP games “Star Watch Magma” add more irresistible fun that players are eager for.

Konami – Concerto Stack 4k Cabinet, 4 levels SAP “Star Watch Magma”

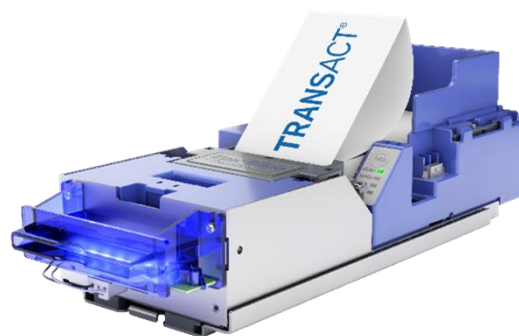

Konami will also introduce Concerto Stack cabinet. It offers a 43" HD cinematic display, KP3+ Platform, high impact visual interaction and custom portrait-oriented game formats. In addition to the latest slot innovations, after the debut of Fortune Cup the horse racing machine in Macau this March, this highly praised game that was launched in South East Asia will also be unveiled in the show. Players can place their bets through touchscreen stations with race stats, horse odds, and comprehensive bet options for win, place, and quinella. This product is officially nominated as **Best Electronic Gaming Solution (Slots and ETGs)** of 2019 G2E Asia Awards.

Konami – Fortune Cup Horse Racing Machine

Engineered to Give You the Edge

TransAct, a leader in developing and manufacturing market-specific solutions, will introduce the Epic Edge™ TITO printer, the industry's most advanced casino printer. Built on the proven long-term performance of the Epic 950, the Epic Edge offers an unmatched 300 DPI print resolution, delivering a two-fold improvement over current printers.

TransAct - Epic Edge™ TITO printer

Attendees will also have a chance to learn about the latest iteration of Epicentral,

which is the gaming industry's only enterprise-level promotion and bonusing software suite that can target customers in real-time while they play their favorite slot machine or electronic table game. With sports betting continuing to increase, TransAct will demonstrate the Company's Epic 880 which is the default printer used in established sports betting markets across the world. Their gaming team will be on hand at stand A719 and will be happy to talk through the range of products.

"G2E Asia is renowned as a key gaming and entertainment business hub across the continent. It offers a one-stop platform to the industry professionals to network, exchange information, and source new products and solutions. I would like to thank our partners' greatest support to the event to showcase their flourishing achievements. APE and our partners will continue to seek for innovative games and products for the growing mass market in Macau and the Asian region." **said Mr. Herman Ng, Chief Executive Officer and Executive Director of APE.**
