Macau, Friday, Jun 26, 2020 – Asia Pioneer Entertainment Holdings Limited (“APE” or the “Company”, with its subsidiaries collectively referred as the “Group”; Stock Code: 8400.HK) is thrilled to introduce its full-range electronic gaming equipment (“EGE”) to the new integrated casino resort HOIANA in Vietnam. The preview opening ceremony of the first phase of the resort is scheduled for Sunday, June 28, 2020. HOIANA is intended to be a luxury resort icon in Asia and a leading travelers’ destination for Central Vietnam, which is located in Hoi An, Quang Nam Province.

At the preview of its first operational facilities, guests can enjoy cutting-edge entertainment and gaming facilities by Hoiana Suncity, play at Vietnam’s first Robert Trent Jones Jr. designed Hoiana Shores Golf Club or indulge in the first of four luxurious hotels managed by Rosewood Hotel Group – the Hoiana Hotel & Suites.

Hoiana Suncity, the entertainment complex consists of Vietnam’s biggest gaming facility, a wide variety of F&B outlets offering irresistible Asian cuisines and a collection of modern retail stores, bars & lounges that showcase not only night-life excitement but also various cultural & entertainment shows.

APE is honored to install our premium products in this casino with our players’ favorite electronic table games, i.e. 8-seated “Karma II” roulette from Spintec d.o.o. (“Spintec”) and one of the most popular games in the Philippines and Malaysia “Dragon Victory” Linked Jackpot Progressive Slot from Konami Australia (“Konami”).

Spintec is well known for their cutting-edge design and proven technical perfection. The “Karma II” automated roulette contains high speed winning number reader to increase players’ excitement in the game. Moreover, “Karma II” was developed to maximize player’s gaming experience including its table games such as Baccarat, Blackjack, Craps and Sic-Bo which guarantee longer gaming sessions.

On the other hand, the popular game “Dragon’s Victory” from Konami contains 4-level jackpots which can be awarded correspondingly by matching 3 same colors medallions in the feature game that is randomly triggered. The games of Konami are designed to cater the Asian market with Chinese graphic symbols and themes.

Mr. Herman Ng, Chief Executive Officer and Executive Director of APE said, “We proudly supply our full range of customized and integrated products to Hoiana Suncity. As a total solutions provider of EGEs for land-based casinos in Macau as well as other regions in Asia, we are really excited to enter into this iconic project to present our products to the players from around the world.
